

Coseley Football Development Safeguarding Children Policy

Coseley Football Development acknowledges our responsibility to safeguard the welfare of every child and young person and are committed to providing a safe environment for all. We recognise that a child is anyone under the age of 18 and subscribe to The Football Association's (The FA) Safeguarding Children Policy and Procedures. Our Football School endorses and adopts the following key safeguarding principles: - The child's welfare is, and must always be, the paramount consideration, all children and young people have a right to be protected from abuse regardless of their; age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, colour, religion or belief, ability or disability, pregnancy and maternity. All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately and working in partnership with other organisations, children and young people and their parents/ carers is essential.

Coseley Football Development acknowledges that every child or young person who plays or participates in football must be able to take part in an enjoyable and safe environment and be protected from poor practice, inappropriate behaviour and abuse. This is the responsibility of every adult involved in our club, including the parents/carers of our players.

Coseley Football Development has a responsibility to safeguard the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The FA's Safeguarding Children Regulations (see The FA Handbook) apply to everyone in football whether in a paid or voluntary capacity, including coaches/managers, volunteers, match officials, helpers on club tours, or medical staff or other club officials/helpers.

SAFER RECRUITMENT

We endorse and adopt The FA's Safer Recruitment guidelines and where an individual is going to take on a specific role for the club we will:

- Specify what the role is and what tasks it involves;
- Request identification documents;
- As a minimum meet and chat with the applicant(s) and where possible interview people before appointing them;
- Ask for and follow up with 2 references before appointing someone; and

- Where eligible require an FA-accepted DBS enhanced with barred list Check, in line with The FA's current Safeguarding Children Policy and Regulations. Everyone working in eligible roles with children and young people, such as coaches/managers, first aiders and physiotherapists, are required to hold an in-date FA-accepted DBS enhanced with barred list check as part of safer recruitment practice and we commit to managing this consistently with individuals in current roles and those new to role. If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to become part of Coseley football development, guidance will always be sought from the County Football Association (CFA) Designated Safeguarding Officer (DSO).

It is accepted that The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practise with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of football being used in the grooming of children.

OUR CLUB WELFARE OFFICER

Coseley Football Development has appointed a Club Welfare Officer ("CWO") in line with The FA's role profile who has completed the Safeguarding Children and Welfare Officer Courses. We commit to supporting the post holder to be involved with ongoing Welfare Officer training provided by The FA and/or CFA. Our CWO is the first point of contact for all parents/ carers and club officials regarding concerns about the welfare of any child or young person. The role of the CWO and their contact information is widely communicated throughout the School The CWO will liaise directly with the CFA DSO and will be familiar with the procedures for referring any concerns.

The CWO will also play a proactive role in increasing awareness of respect, acceptable behaviours, how to deal with low-level concerns and how to report abuse.

BULLYING

We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable at our School.. and know that incidents will be dealt with appropriately. Incidents need to be reported to the CWO and in cases of repeated and/or serious bullying the CFA DSO may be contacted.

ACCEPTABLE BEHAVIOUR WHEN WORKING WITH YOUNG PEOPLE

Everyone who works with children is responsible and accountable for the way in which they behave around and towards them. Every child has a right to be treated with respect and dignity. We always require adults within our club to exhibit acceptable behaviour.

We adopt **The FA's 'Acceptable Behaviours guidance (5.7)'**. Codes of conduct for Players, Parents/Spectators, Officials and Coaches have been implemented by our Club.

The School has clear actions it will take regarding breaches of the codes, repeated or serious misconduct at school level and acknowledges the possibility of potential sanctions which may be implemented by the CFA in more serious circumstances.

Parents, Carers and other Spectators

Whether volunteering, attending training or spectating at matches we should all be aware of the requirements to ensure that all children can play in a safe environment (and often that will include officials for junior teams many of which may be U18 years old and just starting out on their journey as a referee). We highly recommend that ALL parents/carers take the new FA safeguarding awareness for parents and carers and read club policies with regards to codes of conduct in relation to parents, carers officials and coaches.

REPORTING CONCERNS

At Coseley Football Development, safeguarding is everyone's responsibility, and we know that inaction is not an option. If anyone is worried about a child, they must report their concerns to our CWO. Our CWO will manage low-level concerns and where necessary seek advice from the CFA DSO.
